I hereby certify that the above lists showing the names and amounts due from each delinquent taxpayer, as of December 31, 1953, on account of the tax levies of 1950, 1951, 1952 and 1953 — are correct to the best of my knowledge and belief.

FRANK F. COOPER,

Tax Collector

Report of the Fire Chief

I hereby submit my report for the year ending December 31, 1953.

Despite the dry summer we had no forest fires this year and a very few chimney fires.

We had the good fortune to get a nozzle for the new truck at half price and some more new hose.

All of the firemen have been instructed in the use of the new equipment and I think you can be proud of your Fire Company.

Respectfully submitted,

LEONARD B. ROBBINS,

Fire Chief

The foregoing figures indicate that next year's first grade will be small. Thus the enrollment in the first five grades will be approximately what it is this year. Consequently, the school board has decided that the present arrangement should be continued.

The increase in the budget for 1954-1955 is due largely to one item, high school tuition. There are two reasons for this, more pupils in high school next year and an increase in the tuition rate.

The Richmond School Board is making an earnest effort to improve the conditions at the North Richmond School. An attempt is being made to have the building heated by automatic gas heat. If this is successful, it will add greatly to the comfort of the pupils and the teacher.

Since the indications are that Richmond school enrollment will steadily increase in the foreseeable future, the citizens of the town must give serious thought to future planning.

In conclusion, I wish to express my appreciation to the teacher, pupils and parents, the School Board and the patrons of our school for their cooperation.

Respectfully submitted,

CHESTER C. LEES,

Superintendent of Schools

Winchester, N. H.
